MISSION STATEMENT

Loaves & Fishes exists as a mission of love and faith to provide food and temporary support services to residents of Ayer, Devens, Groton, Harvard, Littleton and Shirley, and advocates for changes by its clients that will promote independence and self-reliance.

Dedication

This year's Annual Report is dedicated to the *COMMUNITY*. Because of your support, your financial and food donations, and your volunteer hours, Loaves & Fishes has been able to make a difference for hundreds of local families. You have provided hope to many, and we thank you.

"I slept and I dreamed that life is all joy. I woke and I saw that life is all service. I served and I saw that service is joy."
— Kahlil Gibran

On behalf of the Board of Directors and staff of Loaves & Fishes, thank you! Without the support of our volunteers and donors, we would not have been able to assist 811 families, nearly 2000 individuals! During the year over 600,000 pounds of groceries, including fresh produce, meats, shelf-stable items and personal care products, were distributed to our clients. Equally important as the gift of food was the gift of hope that your support provided.

Our clients will always be our main focus. While our mission is to provide food, it is also to advocate for change that will promote independence and self-reliance. We are committed to helping our clients navigate the confusing social service network, connecting them to community services and providing emotional support during a difficult time in their lives.

Over the years there have been many wonderful heartwarming stories of how Loaves & Fishes has made a difference in the lives of our clients. Jennifer, one of our clients, sums it up perfectly:

"My neighbor suggested I visit your food pantry. It was a very hard step to take, but I am grateful that I took that step. You have fed and clothed my family and treated us with respect and dignity, free of judgment. Your kindness has touched many more lives than you can imagine."

Operationally, it has been a year of growth for the Pantry. First, we have worked diligently to build our partnership with the Groton Neighborhood Food Project – an effort which has established over 25 neighborhoods which work together to provide a consistent flow of food to Loaves & Fishes. During this next year, thanks to a grant from the Nashoba Valley Health Care Foundation, we will be expanding this endeavor to other communities within our service area.

Secondly, we recognized the importance of developing the skills of our volunteers, Board and staff. Thanks to another grant opportunity, we were able to offer a variety of training which enhanced our ability to provide effective services to our clients.

Finally, we focused considerable energy on developing new business partnerships to help ensure the sustainability of the Pantry. We are pleased to introduce some of our newest partners: Shop n Save, Catania-Spagna, Whole Foods and Little Leaf Farm.

We are grateful for the caring community of supporters that make the work of Loaves & Fishes possible. We look forward to nurturing our existing partnerships and fostering new ones in the next year to ensure continued access to good, nutritious food. Once again, our thanks to everyone who has made it possible for us to continue to meet the demand for food and, perhaps most importantly, our sincere thanks for helping us provide hope to our neighbors in need.

Sincerely,

Mary Markham

“While working, I tried to support the great mission of L&F; however, I was not able to give of my time volunteering. In retirement, I so enjoy coming to the pantry and “working” with clients as well as chatting with other volunteers.”

"I wanted to thank you very much for everything. I was able to make this dinner—kale, arugula, romaine lettuce, tomatoes, cucumber, homemade balsamic dressing, homemade fried rice and Chinese pork—all with ingredients from Loaves & Fishes.

Such an amazing organization and I cannot wait to be able to give back."

"I want to thank the people and volunteers at Loaves & Fishes for inviting me to help at the Golf Tournament. It was awesome to volunteer and play! Being a single dad, I don't often get the chance to play golf and it was a day to remember for me. —A client"

A young client found her new "favorite shoes" in our new Clothing Room! Even the smallest donation makes a huge difference!

"If you can't feed a hundred people, then feed just one."

—Mother Teresa

Loaves & Fishes Has a New Clothing Room!

Due to space reconfiguration within the Pantry, our Clothing Room was moved to a new bright and cheery space. Volunteers, many of them members of our Board of Directors, managed the move, construction and painting of the new space.

Training Grant

This past year, Loaves & Fishes was awarded a grant to provide important training to all volunteers and staff as part of our Volunteer Connections Series. We partnered with Dragonfly Wellness in Devens to provide several sessions of wellness coaching.

We invited Trooper William Cullen of the Massachusetts State Police, and Deputy Fire Chief Timothy Kelly, both from Devens, to present important basic safety and emergency preparedness information to Loaves & Fishes staff and volunteers.

In the last of a series of training sessions funded by a grant award, volunteers participated in teambuilding exercises at Kimball Farm on June 7th. The weather cooperated for a day of learning and camaraderie followed by some much-deserved relaxation and fun! The teambuilding training was led by Linda Trowbridge and Bob Vear of V&T, LLC.

Thanksgiving 2015: The Incredible Spirit of Giving

Last year we issued a plea to the community for turkey donations and what we received was beyond our wildest dreams. Over 800 turkeys were donated!

The Davis Family

The Davis Family of Littleton arrived the day after Thanksgiving with their annual traditional family donation. This year their generosity added up to 784 pounds of food!

Fitness Your Weigh

Patty Stern, Executive Director, visited Fitness Your Weigh for celebratory hugs and to pick up over \$2,000 which their clients and trainers raised for Loaves & Fishes during their annual Plank-a-thon! Another hugely successful contribution to the fight against hunger. Pictured with Patty is Kerry Madden and Steve Levesque.

Rollstone Bank

Local branches of Rollstone Bank conducted a drive for the benefit of FOUR local charities. Their donation to Loaves & Fishes was \$1,400!

The Neighborhood Food Project is a neighborhood-based food donation effort. Every two months, volunteers go door-to-door, pick up food from their neighbors and deliver it to the Pantry.

The Power of
the Green Bag

The town of Groton piloted a program in 2014 and it's going strong with over 25 neighborhoods!

Thanks to a grant from the Nashoba Valley Healthcare Fund, we have been able to support The Neighborhood Food Project in Groton and plan to expand to other communities in our service area.

Community Chiropractic

Dr. Steve Jarboe of Community Chiropractic delivered 564 pounds of food and \$650 for Loaves & Fishes at the annual Foodraiser event at the Groton Dunstable Performing Arts Center.

Jed Webber of **Gibbet Hill** presented Patty Stern, Executive Director, with an amazing **\$5,020** donated to Loaves & Fishes from The Cattle Run & BBQ to Fight Hunger event held in June.

We asked some of our partners why they support Loaves & Fishes:

*"Providing basic daily needs to the needy is grass roots charity, and that is our 'why.' As a business, I think the great feeling you get knowing you are helping your local community is worth the investment. I feel people talk, and good deeds do get recognized and rewarded. We have been in business for 29 years because of the local community. As long as we are in business, **Wilson Brothers HVAC, Inc.** will always support local food pantries and other important local programs."*
