July 1, 2021 - June 30, 2022

## OUR MISSION

Loaves & Fishes' mission is to provide nutritious food,  
in an atmosphere of kindness and respect, to  
individuals in need who reside in Ayer, Devens,  
Dunstable, Groton, Harvard, Littleton and Shirley.

## A MESSAGE FROM THE PRESIDENT

It's been an interesting year. Having volunteered at the Pantry for the past eight years, I thought I had a pretty good idea of how things worked. My year as Board President has opened my eyes. Patty and the staff (both hereinafter 'staff') are much more amazing than I had realized.

With a grant from the Greater Boston Food Bank (GBFB) and assistance from Senator Jamie Eldridge we purchased a truck to use to get supplies from GBFB. A great design was conceived by staff and put on the truck to advertise the Pantry's services wherever it traveled. Board member Jeff Howe coordinated schedules with 6 other food pantries so that we could obtain GBFB supplies for them as well. A tremendous benefit for them and a wonderful example of non-profits cooperating for the benefit of clients.

Then the Board decided to engage in a formal planning process to try to improve services to clients as the COVID crises stabilized. The staff spent considerable time using their expertise to develop a staged plan which they presented to the Board. The first stage is now in effect, giving clients more options as to when to get food. Other stages will be implemented over time.

In spite of some significant staff turn-over (some anticipated, some not) services to clients never decreased. A special shout-out to the volunteers on our Personnel Committee who spent many hours screening and discussing dozens of candidates for our open positions this year: Aleta Manugian, Leslie Row, Jeff Howe, Mary Timmons, and Andrea Myette.

On behalf of our clients, I thank the Board, the staff and all our volunteers for their efforts. I'm looking forward to seeing what this next year will bring. Whatever it is, I know our clients will be well taken care of.

President-Board of Directors

## A MESSAGE FROM THE EXECUTIVE DIRECTOR

It has been another challenging year, but with the support of a committed team of Board members, staff, and volunteers, and the generous support of our community we have been able to adapt, respond and continue to serve our neighbors who are struggling. Despite the challenges, there were also highlights. The acquisition of our new truck has solved the problem of retrieving our orders from the Greater Boston Food Bank. We are particularly proud that we have been able to establish partnerships with other area pantries and utilize our truck to help them retrieve their orders as well. Collaboration at its best and a shining example of what can be accomplished if we all work together.

The upcoming year will be a busy one as we work to enhance and expand our operational model. I am confident that with our team of dedicated staff and volunteers and continuing support from the community, we will emerge even stronger as we approach our 40th anniversary year. My sincere thanks to everyone who has supported the mission of Loaves & Fishes. It is a pleasure and a privilege to be part of such an amazing organization.

Kerry Madden, owner of **KAM FITNESS AND NUTRITION**, hosted their 10th anniversary Plank-a-thon to benefit local food pantries including Loaves & Fishes. Kerry also supported our Neighborhood Food Project!

# GENEROSITY

**WE ARE GRATEFUL TO THE MANY  
BUSINESSES, COMMUNITY  
ORGANIZATIONS, AND INDIVIDUALS WHO  
SUPPORTED LOAVES & FISHES LAST YEAR.**

The **FORGE & VINE RESTAURANT** in Groton (part of the Migis Hotel Group) found a unique way to support the Pantry. They sponsored a **RAISE YOUR GLASS** event to benefit Loaves & Fishes. When select beverages were purchased they and their partners donated \$1 per glass to the cause.

## FAMILIES VISITED LAST YEAR!

*"I had enough food for two more days if I stretched it, then we were out. A neighbor told me about Loaves & Fishes and I am so relieved that I visited the pantry. I can feed my children now. My sincere thanks to everyone who supports the pantry—it truly makes a difference."*

~**Heather**, a Littleton resident

*hope*

Those 576 families had 1,510 household members. They sought help for many different reasons - a job loss, health issues, fixed income, addiction, abuse and even an unexpected household expense which they did not have the resources for. Each family, if they visited twice each month, received enough groceries for approximately half of their monthly meals. Groceries included: Fresh and frozen produce, eggs, margarine, cheese, frozen meats, cereal, juice, pasta, pasta sauce, rice, helpers, condiments, canned products, personal care items and vouchers for milk.

# ASSIST

**WERE OVER THE AGE OF 65!**

Seniors are a very proud group. We often hear that they “don’t want to take food away from those who need it more.” The reality is that many seniors are struggling to stretch their fixed income to pay their bills. They are making some very difficult decisions about heating their home, paying their rent or mortgage, purchasing necessary medications or buying nutritious food. Often, there is little left for groceries.

*"I'm so grateful for all of the nutritious food, especially the fresh produce, I receive from the Pantry. I couldn't afford it on my own."*

# NOURISH

**WERE CHILDREN!**

Parents tell us that when money is tight, they try to stretch their limited budgets to put food on the table. Often what they can afford has little nutritional value. The children suffer. They go to school hungry and cannot focus on learning. Thanks to the generosity of our community, Loaves & Fishes is able to provide nutritious food, including fresh produce, meats, eggs, milk vouchers and so much more to help our neighbors.

# SUSTAIN

**WERE RETIRED, DISABLED, ILL  
OR CARING FOR SOMEONE WHO IS!**

We hear about their struggles every day. Some are living on a fixed income. Others cannot work because they are ill or caring for someone else who is ill. They are doing the best they can to survive and the support they receive from the Pantry sustains them. No one should be without nutritious food.

*"My son was in the hospital for several weeks. He's home now but needs around-the-clock care. The food from the Pantry is what we depend upon."*

~**Michelle**, a single mom from Groton

*"My son and I have been homeless for the last couple of months and we've been living in a motel...he was so excited to have food, he almost cried!"*

~ **Brandon**, a homeless veteran

# COMFORT

67%

**EARNED LESS THAN \$25,000!**

Making ends meet on \$25,000 annually is hard. Many live in low-income housing or are homeless and living in area motels. They do not have the simple things which many of us take for granted. Some do not have access to a stove and can't prepare proper meals. It's a struggle.

# FEED

539,399

## POUNDS OF GROCERIES DISTRIBUTED!

It takes a lot of food to feed 576 families! We could not possibly have managed without the support of the community who provided financial support, food, personal care products, and the gift of volunteer time. Together we lightened the load for 1,510 of our neighbors.

In its 32nd year, the **SHIRLEY SCOUT DRIVE** collected 11,804 pounds of food last year. It is a glowing example of what a community can do if everyone works together – it makes a huge difference!

Members of the **TAHATTAWAN LODGE** gleaned items from area stores and shuttled them to the Pantry.

These young ladies from **LITTLETON GIRL SCOUT TROOP 82443** had some fun collecting food from the community! They offered to "BOO!" a house with spooky ghost yard signs in exchange for non-perishable items for the Pantry.

This enthusiastic crew from the **LURA A. WHITE SCHOOL** in Shirley planned a very successful food drive!

# COMMUNITY

**AREA SCHOOLS, SCOUT TROOPS AND COMMUNITY GROUPS WERE GREAT SUPPORTERS OF THE PANTRY!**

**ROBIN MILLER**, pictured with John Cauley a member of our Staff Team, had an idea for her Girl Scout Gold Award Project. She decided to create a cookbook for those who only had a microwave to cook in. She personally tested 27 recipes, assembled them into a booklet, produced the booklets and purchased microwave-safe dishes. She gifted them to the Pantry to distribute to clients in need.

# ENRICH

17,442

**POUNDS OF FRESH PRODUCE!**

Over 20 local gardens, orchards, and home gardeners donated 17,442 pounds of fresh produce. The benefits of produce in a healthy diet are undeniable, however, many of our clients cannot afford it. Thanks to our donors, we can provide this important component to our neighbors.

FOOD PROJECT AND THE  
NEIGHBORHOOD FOOD PROJECT  
(AYER, DEVENS, HARVARD, LITTLETON  
AND SHIRLEY)**

The "Green Bag Program" was started by a group of Groton residents in 2014. Since then, the program has grown to include neighborhoods throughout our service area. It's so easy - over the course of two months, you collect shelf stable items and place them in the green, recyclable bag that the Pantry provides to you. A neighborhood coordinator will pick-up your donations and deliver them to Loaves & Fishes. Simple!

## THANK YOU, DAVIS FAMILY!

Every year for over 20 years, members of the Davis Family of Littleton visit Loaves & Fishes the day after Thanksgiving to donate food. This tradition was begun by Russ and Ann Davis when their family was young. The family has continued this tradition in memory of their husband, father, and grandfather who passed in 2008. There is always chatter, hugs, smiles, and clearly lots of love as they go about moving hundreds of pounds of groceries from their vehicles to our loading dock.

## AREA PANTRIES WORKING TOGETHER!

Thanks to the efforts of a determined Pantry task force, a grant from the Greater Boston Food Bank (GBFB) and a state budget earmark supported by our Legislative Team, Loaves & Fishes is the proud owner of a shiny, new F650, 24' insulated box truck!

For the past 1 ½ years we have struggled to find a way to pick-up our orders from the GBFB. Many local businesses offered their trucks and/or drivers to help us during this difficult time. We are very grateful to the following companies for their support: New England Apple-Leominster, Bursaw Gas & Oil-Acton, Wilson Brothers-Pepperell, Bull Run-Shirley, Habitat for Humanity and long-time supporter, Bemis Associates-Shirley.

Not only are we able to pick-up our orders from the GBFB, but we are also helping six other area pantries including Acton, Bedford, Pepperell, Townsend and two Medway pantries. A bright spot in the past year!
