

# Loaves & Fishes

Loaves and Fishes. Lifts up the needy.  
They make sure all the children are fed!  
It's forty years of people volunteering!  
And many more, years ahead.

You're not alone. These people care!  
They have lots of good food to share.  
They offer kindness, with all that they give!  
Providing hope. Helping others to live.
