

## **Diversity, Equity and Inclusion (DEI)**

At Loaves & Fishes, we value the visible and invisible qualities that make each of us unique. We understand and welcome that every person brings an individual perspective and experience to advance our mission to provide nutritious food, in an atmosphere of kindness and respect. We believe that each Loaves & Fishes community member, client, donor, volunteer, advocate, and employee must have equal access to solving the challenge of hunger in our community. We commit to include these diversity, equity, and inclusion practices in our decision making, daily work and interactions.
