

**Employer Encouraged
Charitable Giving/Match**

PARTNERS IN HOPE

Does your organization offer matching gifts? Many companies offer a corporate matching gift program to encourage charitable contributions. Usually, the company matches employee contributions dollar for dollar so your employee can double their donation to Loaves & Fishes and your impact in the fight against hunger.

Contact Patricia Stern, Executive Director, at director@loavesfishespantry.org

- \$25 feeds 1 person for 5 days
- \$50 provides a child with breakfast for more than a month
- \$100 enables a senior citizen to have 3 meals a each day for 20 days

- \$200 allows a mother and child to eat nutritious meals for 20 days
- \$250 feeds a family of 4 for 12 days
- \$500 puts food on the table for a family of 5 for 20 days
- \$1,000 provides 200 days of meals for our struggling neighbors

Message from a client:

"I can't be thankful enough for this resource—especially since our family is trying so hard to pull ourselves up out of our situation, but are finding it extremely challenging to stay afloat and not sink further. It can be a vicious cycle. The food pantry, through its services, gives us a small break in our constant worries over survival."

WILSON BROS.
HEATING & AIR CONDITIONING, INC.

**We asked some of
our partners why
they support
Loaves & Fishes:**

*Providing basic daily needs to the real needy is grass roots charity, and that is our 'why'. As a business, I think the great feeling you get knowing you are helping your local community is worth the investment. I feel people talk, and good deeds do get recognized and rewarded. We have been in business for 29 years because of the local community. As long as we are in business, **Wilson Brothers HVAC, Inc.** will always support local food pantries and other important local programs."*

—Tom Wilson,
