## DEDICATION

*This Annual Report is dedicated to Lisa and Paul Martel who were longtime, devoted Loaves & Fishes volunteers. They will be missed very much.*

**"At the end of the day, it's not about what you have or even what you've accomplished...it's about who you've lifted up, who you've made better. It's about what you've given back."**

*Denzel Washington*

Loaves & Fishes' mission is to provide nutritious food, in an atmosphere of kindness and respect, to individuals in need who reside in Ayer, Devens, Dunstable, Groton, Harvard, Littleton and Shirley.

# Impact

**847** households/ **1,956** individuals  
received nutritious groceries

**11%** were seniors

**28%** of the households earned less  
than \$10,000 annually

**248** new families visited the Pantry

**575,618** pounds of groceries  
were distributed

**29%** were children

Our 35th year was exciting and busy! We did a complete reconfiguration of the entire Pantry building, supported our local Federal workers during the government “shutdown,” added the community of Dunstable to our service area and welcomed 248 new families to the Pantry. You can read about the details of these projects in this Annual Report. We could not have accomplished all of this without our outstanding volunteer crew, generous donors, competent staff team and dedicated Board of Directors leading the way!

As we look to the year ahead, we will continue working on the three main components of our strategic plan: building awareness, strengthening organizational systems and increasing access to food. We will continue our efforts to build awareness of Loaves & Fishes by expanding our ambassador team into our communities and enhancing our marketing efforts. Our staff team will focus on strengthening and streamlining our organizational systems in order to ensure a firm foundation for the future. Finally, and most importantly, we will concentrate on reaching out to our neighbors who are struggling with food insecurity.

My sincere thanks to everyone who continues to support our mission of providing nutritious food to those in need. Whether your gift this past year was food, funding or volunteer time, our combined efforts not only provided food, but also hope to our neighbors.

My sincere thanks,

*Patty*

Fiscal Year 2019 was a unique one for Loaves & Fishes. The first open pantry session of the fiscal year took place at the Lura A. White School in Shirley. Thanks to the cooperation and generosity of the Ayer Shirley Regional School District, we were able to use that school to serve our clients during July and August while our Barnum Road location underwent a major reconfiguration project.

Thanks to the efforts of Senator Jamie Eldridge, Loaves & Fishes also received an unexpected and very much appreciated grant of \$120,000 from The Commonwealth of Massachusetts to help defray our costs for the reconfiguration project. Additional funds were provided by The Greater Boston Food Bank in the amount of \$10,000, and by Nancy Ohringer and Bill and Martha Dean, each of whom was a recipient of a \$1,000 Charlene Van Wormer Award for community volunteerism.

As the outgoing Board president, I truly appreciate the support and encouragement that I received from Board members, staff, volunteers, sponsors, donors and participants during the annual golf tournament, and especially from Patty Stern, our Executive Director, during my tenure.

## Looking Ahead

Looking forward to Fiscal Year 2020, the Pantry will continue to reach out into our community. Following our strategic plan, we will work to increase and solidify our many business partners. We hope to form new relationships with businesses that would like to add a “giving back” theme to their mission. There are many ways a business or organization can work with Loaves & Fishes. We will be exploring these with our present partners and hope to form many new alliances in and around our community.

The Pantry continues to develop ways to reach the food insecure, whether short-term or long-term. We continue to work to educate and inform our civic, religious, school and elder services about our mission. Much outreach has already been done through community meetings and presentations. The feedback has been very favorable and we feel that these relationships will help us to reach more people who are in need of nutritious food.

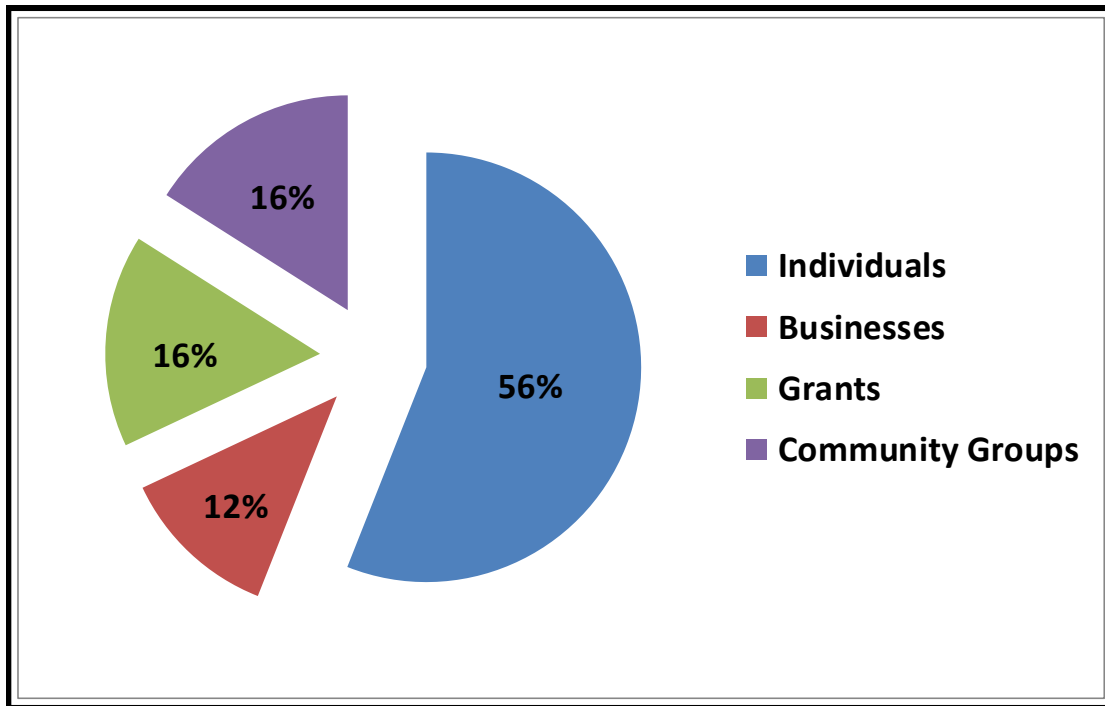

We are very excited to announce that the Board voted to extend our service area to include Dunstable. Groton and Dunstable are a regional school district so it made sense to include them in our “neighborhood.”

This past year has been so gratifying watching the staff, volunteers and clients become more comfortable in our newly, reconfigured Pantry. There are many people to thank for the seamless operation of the Pantry and the healthy selection of food. Over the summer months, local farms have made generous donations of fresh fruits and vegetables. These selections are second-to-none, and we thank them for their generosity. To the volunteers and staff, who work tirelessly to stock the food and help the clients have a wonderful shopping experience, thank you for your commitment. For all those who support The Neighborhood Food Project as well as the businesses who donate food or dollars, your kindness and generosity is invaluable and much appreciated.

*Andrea Myette*

Bob, an unemployed, single father who just received custody of his 1 year-old daughter, reluctantly visited the Pantry.

*"I was uncomfortable and nervous. I never thought I'd be standing in line waiting for food, but everyone was so nice and welcoming. I left with a full cart of groceries, resources to other helping agencies and a sense of relief that at least I don't have to worry about feeding my daughter while I rebuild my life."*
