*Loaves & Fishes' mission is to provide nutritious food, in an atmosphere of kindness and respect, to individuals in need who reside in Ayer, Devens, Dunstable, Groton, Harvard, Littleton and Shirley.*

*All names and photos used in the client stories/quotes throughout this publication are fictitious to protect the privacy of our clients.*

The past year has been a very difficult one with many unfortunate things happening in our world. There is much to be sad, anxious and angry about, however, there are also many reasons to be grateful. Sometimes difficult times bring out the best in all of us and that is exactly what we have witnessed at Loaves & Fishes!

When the Pandemic hit, we converted the Pantry to a no-touch, drive-thru operation! The staff and volunteers were flexible and understanding as we worked through challenges. Donors were extraordinarily generous and our community rallied to support our neighbors who were struggling to make ends meet.

In the past year, over 804 local families, over 2,000 individuals, received food, support and hope thanks to our caring community. Some were earning minimum wage and trying to stretch their hard-earned dollars to pay their mounting bills. Others lost their jobs and were in danger of losing their homes. Some were seniors struggling to survive on a fixed income, and others, like Joe, had health challenges. Joe visited us recently, with his oxygen tank in hand. His health is deteriorating quickly and he knows his time is short. He simply wanted to say goodbye and thank you.

Thank you from Joe. Thank you from all of our clients. They still need us....

With sincere gratitude,

*Patty*

*"I've always been a hard worker and never pictured myself going to a food pantry, but rent, utility bills and insurance have all increased so much and money for groceries has been limited. I've been doing the best I can but we eat a lot of noodles, soup and peanut butter sandwiches. When my son David told me he was hungry, it broke my heart. I saw a brochure about the Pantry at the grocery store and knew what I needed to do. I am so thankful for Loaves & Fishes, they've given me food and hope!"*

*Sincerely, Daniel*

*"The shelves in our kitchen were getting bare and the money to buy food was limited. Both my husband and I are retired but so much money is spent on medical bills and just trying to get by every month. We received your newsletter and decided to attend your drive-thru service. We were overwhelmed with the food that we received - fresh produce, eggs, cheese, meats and some fresh bakery goods! We were in tears as we sat down for our first meal with the food that we received from the Pantry. We appreciate all of you - thank you for making our lives better and healthier!"*
