

TOGETHER WE ARE MAKING A DIFFERENCE!!!

The past year has been a very difficult one with many unfortunate things happening in our world. There is much to be sad, anxious and angry about, however, there are also many reasons to be grateful. Sometimes difficult times bring out the best in all of us and that is exactly what we've witnessed at Loaves & Fishes! Our community has rallied to support our neighbors who are struggling. Over 800 families have received food and hope thanks to many giving individuals, businesses and community groups. They still need us...

"We have never needed a food pantry – we've always been donors – but the pandemic has really hit us hard. Eric's hours have been reduced significantly and I was laid off. We're ashamed to say that there is very little left for food after all of the bills are paid. We didn't want to come to the Pantry, but we had to think about our children – they have to eat. We are truly thankful for not only the food, but also the kindness and support we have received. Our sincere thanks to everyone who supports the Pantry, it has definitely made a difference for us."
