Some of you have made suggestions regarding the Volunteer Website and some of the changes suggested have recently been implemented.

If you have not already registered as a volunteer through the Loaves & Fishes website ([www.loavesfishespantry.org](http://www.loavesfishespantry.org)), please do so following the instructions below. Once registered, you will be able to sign up for volunteer activities on line and we will know you are coming!

- On the bottom lefthand side of the screen, you will see a button entitled "Volunteer Login." If you have not registered as a volunteer yet, please click the link and set up a login and password. An email will be sent to you when you are approved to login.
- Once logged in, under the VOLUNTEER menu heading, select the drop down SIGN UP FOR VOLUNTEER ACTIVITIES
- Under that menu, you will see the entire calendar of activities you are able to sign up for!
