## Loaves & Fishes seeking holiday help

Are you available during the morning and early afternoon hours in the upcoming weeks? If so, and are looking to help, we could use some assistance during the week answering phones, receiving donations and general help around the office. This is the time of year when the phone is constantly ringing and so is the doorbell! If this sounds interesting to you, please give Karen a call at 978.772.4627 x300.
