

The Groton Neighborhood Food Project is making their monthly delivery on Saturday, February 13th. We need help receiving, sorting and stocking these donations! If you are available, please come by the pantry

Saturday, February 13th

11:30AM-1:30PM

This is a great opportunity for students to accrue

community service hours!

Loaves & Fishes Grant Award!

We were recently awarded a grant by the Nashoba Valley Healthcare Fund in the amount of \$15,000! This grant was made possible in part by a grant from the Community Foundation

of North Central MA.

We will be using these funds to collaborate with the Groton Neighborhood Food Project (GNFP) to expand to other communities. The GNFP is a scheduled food collection (once every two months) initiated in the town of Groton. Currently, 22 neighborhoods participate, with the hope to expand to 40 neighborhoods within the next year.

Loaves & Fishes is **CLOSED** on

Thank you to all who have been registering for stocking sessions and

Monday, February 15th in observance
of President's Day.

open pantry sessions on-line through
www.loavesfishespantry.org! Anyone
who needs assistance with this
process, please ask for help!
