

Financial Support

PARTNERS IN HOPE

86 CENTS of every dollar donated directly to our primary mission—FOOD. We partner with The Greater Boston Food Bank and other local businesses allowing us to purchase items at reduced rates.

WE USE FINANCIAL DONATIONS WISELY:

- We purchase approximately 10,000 lbs of food each week from the Greater Boston Food Bank for only 19 cents per pound!
- We work with local stores to purchase items in bulk at reduced rates. We support local businesses and they support us!

WE ENCOURAGE YOU TO:

- Institute an *Employee Giving Program*.
- Consider *Leaving a Legacy* to Loaves & Fishes
- Make a donation *In Memory* of an individual
- Make a donation *In Honor* of someone special on a special occasion such as a birthday, anniversary or other significant life celebration.
