

Food Drives

PARTNERS IN HOPE

We are always in need of food. Organize a food drive or a targeted drive for personal care items, or other needed pantry items. Our “Most Needed Items” is current on our website. Collect gently used, seasonal clothing for our Clothing Room. We have plenty of ideas to help make your drive exciting and meaningful.

Loaves & Fishes consistently serves over 800 families each year and distributes over 600,000 pounds of food annually.

A family of 4 receives groceries valued at approximately \$210 (approximately half of their monthly meals) each time they visit the pantry.

The need for food does not wane and your organization can help!

Get involved with The Neighborhood Food Project, perhaps setting up a “neighborhood” within your organization. Contact John Cauley, Food Coordinator Assistant, at foodassist@loavesfishespantry.org.

Hold company-wide food drives. Make it fun! Some organizations will create a challenge between departments! Catania-Spagna of Ayer held a food drive and collected and donated over 13,000 pounds of food!! St. Mary's of Ayer and St. Anthony's Parish of Shirley make it a fun and friendly contest between both churches!

We have many ideas to help you make it fun for your organization. Contact our Drives Coordinator at drives@loavesfishespantry.org for ideas and support.

Support our two annual holiday season food events—our Thanksgiving Dinner Distribution and our Holiday Dinner Distribution events. Contact our Food Coordinator at foodcoordinator@loavesfishespantry.org to see how your organization can help!
