

Volunteering

PARTNERS IN HOPE

There are many opportunities to volunteer with Loaves & Fishes. Group volunteering builds teams, morale and organizational culture. Individuals and groups can volunteer time helping with daily operations; share skills by assisting in areas such as technology, marketing, photography, and even landscaping; or joining a committee to assist Loaves & Fishes in continuing to fulfill our mission into the future and sustaining many of our annual programs.

Who can volunteer?

Anyone can volunteer! Volunteers must be 18 or older to volunteer during activities that include direct client contact. Teenagers between 16-18 may volunteer without adult supervision during non-client events. Those younger than 16 may volunteer with adult supervision during non-client events.

What do I need to do for my organization to become involved?

Visit the pantry and learn about all the ways in which your organization can help. Contact our Volunteer Coordinator at (978) 772-4627 x3107 or email at volunteer@loavesfishespantry.org
